Features:

- **Fast Qi Charger:** Built-In 10W Qi Wireless Charging, charges your Qi-enabled devices up to 1.4 times faster than a standard wireless charging pad. Never worry about tangled or lost cables again. Supports Samsung Galaxy S7, S7 Edge, S6, S6 Edge and Note 5.
- **Smart Charging Station with QC3.0 for Multiple Devices:** Charges up to 4 USB-powered devices simultaneously. Each USB port is equipped with Smart IC technology that automatically detects the plugged-in product and provides up to 5V/2.4A output. Easily charge, hold and organize all of your devices in one place.
- **Certified Safety:** Power Supply Adapter comes with ETL listed, CE, FCC, RoHS Certified. With the complete protection against over-charging, over-heating, over-voltage and short-circuiting.
- **Removable Dividers:** Adjust the width between devices easily to any size needed with the 5 dividers. Firmly hold your Android & Apple smartphones & tablets, Nintendo Switch, Fire Kids Edition Tablet with Kid-Proof Case, all iPad generations, Samsung tablets, e-readers and more. Since you can adjust to any size, feel free to leave the devices in their cases to protect against scratches.
